

Dear Business Partner:

WAMM and Audubon Place Civic Associations are organizations dedicated to promoting and maintaining the residential character of the Montrose community that your organization resides in or is adjacent to. The associations' primary boundaries are all along Westheimer, Alabama, Mulberry & Montrose streets. The associations foster civic and social welfare within its neighboring streets and enjoys bringing together Montrose businesses and residents.

Over the years, the Association has worked to promote safety within our 200 plus Montrose area homes. We have realized due to the government shortages in city services including police services we need additional help. **In order to mitigate these shortages, and to help ensure the safety of our neighborhood (and your customers!), WAMM has endeavored to fund a dedicated constable for the Montrose area.** The success of lowering the current crime rates in our neighborhood by adding our own constable program is dependent entirely upon the financial and product support of corporations and private sponsors. **Please see below the details and benefits of the constable patrol program.**

Recent Houston press coverage on us (<http://montrosedistrict.org/2016/08/montrose-civic-association-raising-money-to-hire-another-constable/>) has supported the need for additional patrol and protection.

We would like you to become one of our 2016-2017 Corporate Sponsors. As a sponsor, you will receive prominent media attention from our WAMM (Montrose) Civic Associations. Each month our newsletter goes out to over 200 (soon to be over 300) homes in your immediate area. Each time an announcement goes out to our residents your business will be prominently displayed.

Our website is visited nearly every day. As a sponsor, you will have prominent business recognition as a corporate partner of the WAMM (Montrose) Civic Associations on our website.

We have included a sponsorship levels fact sheet and detailed sponsorship proposal for your business. We are flexible and can also offer a customized sponsorship level if you have the need. If you have any questions about becoming a sponsor of WAMM (Montrose) Civic Associations, please don't hesitate to contact us. FAQ

How will I know if it is doing any good?

Monthly Contract Stats are available on the web site: <http://pct1constable.net>

Why should I pay extra for a private service when my taxes are already paying for HPD?

Constable Patrol is an added layer of protection. Its officers become familiar with the people and areas they patrol.

They recognize those who are not from the neighborhood and are alert for suspicious behavior.

HPD is spread thin and cannot give individual neighborhoods adequate attention, thus response times are slow.

Houston is rapidly growing denser and HPD has a growing ratio of citizens to officers. Constable Patrol helps augment the protection with fast response times.

HPD prioritizes its response based on severity and urgency. Constable Patrol responds to calls as they come in.

Incorporated as a nonprofit organization in Houston Texas. Its purpose is to maintain the residential character of the community that it represents and to promote the civic and social welfare of the area.
